

ACIPC

Australasian College
for Infection Prevention and Control

Inaugural ACIPC Victorian SIG

New name, new format

Please come and join us for the relaunching of the ACIPC Journal Club with a new name and new format.

Topic: Transmission based precautions

- When do you implement TBP and how do you monitor compliance?
- Are TBP effective in preventing transmission – what's the evidence?
- Should TBP be modified to promote the 5 Moments – are gloves required?

The aim of this meeting is to discuss and share your organisation's TBP strategies. Do healthcare facilities have the same protocols for TBP or are there differences in how they are applied? Come ready to discuss your organisation's strategies and learn about what others are doing too.

Date: Tuesday 21st March 2017

Time: 6:30pm

Venue: Hellenic Republic
26 Cotham Rd, Kew

<http://hellenicrepublic.com.au/kew/>
