Prioritising Residential Aged Care

AGED CARE WORKERS ARE ELIGIBLE FOR A FREE COVID-19 VACCINE NOW

We are prioritising residential aged care workers to help protect those who are most at risk from COVID-19.

- **Workers 50 years or over** will be offered the AstraZeneca COVID-19 vaccine.
- **Workers under 50 years** will be offered the Pfizer COVID-19 vaccine.

Where can I get a vaccine?

Talk to your employer about your options.

Are you under 50?

- State and territory vaccination clinics
- Pfizer clinics for residential aged care and disability workers only
- On-site worker clinics (where available)

Are you 50 or over?

- GP, GP respiratory clinics and Aboriginal Community Controlled Health Services
- State and territory clinics
- On-site worker clinics (where available)
