

BE A **WINTER** CHAMPION!

Webinar invite

As we head into the winter season, GAMA Healthcare in collaboration with the Australasian College for Infection Prevention and Control (ACIPC) invites you to join the webinar to learn about common winter infections and IPC strategies to reduce the risk of healthcare-associated Infections (HAIs).

Presented by Prof Brett Mitchell, the webinar will cover the following:

- ✓ Common Winter Pathogens and Infections
- ✓ Modes of Transmission
- ✓ How to help prevent respiratory infection

Brett Mitchell

Professor Brett Mitchell is Editor-in-Chief of Infection, Disease & Health. He is a Professor of Nursing at the University of Newcastle and has over 150 peer reviewed publications and conference presentations. Brett is a Fellow of ACIPC and the Australian College of Nursing. Brett has worked in the area of infection control for many years, including leading infection control programs in hospitals and at a state level. His research interests in the area of infection control include environmental cleaning, pneumonia, surveillance and urinary tract infections.
